I will have access to a car/vehicle and am willing to transport other members to events away from the hotel. This valuable service will help reduce the cost of the event. You can count on me to carry (number of additional passengers): _____

I volunteer in the Educational Session and Saturday Dinner by sharing, in your own words, a story found in the SJGD Newsletters, available on the Society's website (www.gaither.info). If you volunteer, an event coordinator will contact you with details.
